Sessions Explained

Family Skate: Enjoy quality time together as a family! Skate around the rink and enjoy our varied themed sessions. Plus there's a bouncy castle, face painting and arts and crafts for the kids to enjoy whilst adults can relax in the café/bar areas.

Simply Skate: A flexible skating session suitable for anyone looking to simply skate.

Cheap Skate: Exactly what it says on the tin! Grab your skates, a couple of mates and we'll see you on the ice!

Adults Only: A relaxed session perfect for over 18's to practice their skating skills.

BOOM: The weekend's here and it starts with a BOOM! Get access to the best skating night iceSheffield has to offer. Our resident DJ is on the decks, the lights are down low and our on-ice stewards are armed with a camera and some great on-ice games!

Mobility Session: This session is fully accessible to wheelchair users. We will help you on to the ice with the aid of a ramp then it's up to you to enjoy this super chilled experience! Take a spin on one of our on-ice bumper cars and whizz around the ice.
